## 1. HISTORY

The company **AG Printers & Stationers** started in the year 2016 from scratch. We started by printing simple materials like simple cover letters, Curriculum Vitae's, Minutes, Speeches etc. In the journey of our business we integrated to printing large formats materials and we included designing (Logos, Banners etc.) to our services.

Our largest clients/customers base consists of Companies, Schools, students, churches etc. We target our services to customers mainly in Lilongwe especially those close to our business place and those far but still can reach us.

We have in our printing and designing business of about 78% in the past 12 months. This is our fastest growing business in the company. We offer highly commendable services to our clients and other people we do businesses with by making sure our services are satisfactory.

## 2. PHILOSOPHY

Our philosophy is pinned at the very heart of our commitment to understand the vital needs, wants and satisfaction of people and how they can be met.

## OUR MISSION

- Pushing higher our identity and some of our clients/customers by providing an excellent and competitive professional services as well as an exceptionally quality product.

- Continual improvement, broadening of skills and enhancing the working environment of our personnel to reach their full potential.
  - AG Printers and Stationary is leadership structured core based consisting of highly skilled and talented team, capable of handling big projects and pressure. The company encourages innovations; maintaining and increasing levels of motivation and job satisfaction to its work team.
